PREMIUM SERIES

ADAPTOR / USB CHARGER

USER GUIDE

⚠ IMPORTANT SAFETY INFORMATION

- This user guide contains important product operating instructions, safety and maintenance information.

- Please read the user guide fully before use.

Do not slide adaptor along the track.

🔥 Keep away from fire.

💧 Keep away from water.

☀ Not for outdoor use.
CARE AND MAINTENANCE

The Premium Series Adaptor and USB Charger are products of superior design and craftsmanship and should be treated with care. The following information will help you to protect your warranty coverage.

* The product is specifically manufactured to be used and stored at room temperature. (-5°C to +40°C, not exceeding an average of more than 25°C in any 24 hours period)

* Keep the device dry.

* Do not store the product in dirty, dusty areas.

* Do not expose the product to rough handling.

* Do not use harsh chemicals, cleaning solvents or strong detergents to clean the product.

ADDITIONAL INSTRUCTIONS - PREMIUM USB CHARGER

* USB Charger is designed to work with most devices that have charger connectors and do not require software or proprietary USB signalling for charging.

* Parts of the device are magnetic. Metallic materials may be attracted to the device. Do not place credit cards or other magnetic storage media near the device, because information stored on them may be erased.

* Disengage the charger from the track when not in use. Do not leave a fully charged battery connected to a powered charger as overcharging may shorten its lifetime.

* USB Charger is designed to hold devices of maximum weight 135gm.

* *USB connector cable is not included.*

PREMIUM
ADAPTOR

V-Groove
